Letter No.426 dated the 12th February 1912 from the Secretary to the Government of Mysore for Railways, to the First Assistant to the Hon'ble the Resident in Mysore.

I am directed to inform you that the Government of His Highness the Maharaja are arranging to construct the Railway lines indicated - below at as early a date as may be found practicable:-

Name of Railway.	Probable gauge.	Length in Miles.
1. Arsikere-Hassan-Mysore.	3'-3-3/8"	102.
2. Bowringpet-Kolar.	2'-6"	10.
3. Chitaldrug-Chickjajur.	2'-6"	20.
4. Kadur-Chickmaglur.	2'-6"	24.

2. To carry out the above works which may involve an annaul outlay of Rs.15 to 20 lakhs, the Government of His Highness the Maharaja are desirous of obtaining the loan of the services of one or two Engineer officers on the Railway list of the Government of India. For the - present, that is, till all the preliminaries are properly settled, they will only want one officer. His services will in the first instance be required for a period of two years and during his deputation to Mysore, he will hold the next higher rank in his Department; and his leave and allowances will be governed by the Civil Service Regulations applicable to officers on 'Foreign service.'

3. As the officer to be first appointed will occupy the rank of a Superintending Engineer in the State, his position on the Railway list may be either that of a Superintending Engineer of the 2nd or 3rd class or of a senior Executive Engineer. The Durbar are anxious that the officer selected should be able to control the operations throughout the State and possess the necessary sympathy and tact to work harmoniously with the local authorities.

4. I am to request that you will be so good as to move the Hon'ble the Resident to communicate the above request to the Government of

(6)

India for their very early and favourable consideration. As the survey work has already been begun, the services of a Railway Engineer are urgently required. The Durbar would be greatly obliged if arrangements are made so that an officer may join the Mysore Service early in March next. If any considerable delay is likely to occur, the Durbar request that they may be kindly apprised of the fact, if possible, before the end of the current month.
